## 8. Booking a Vehicle

AutoShare Vehicles must be reserved before any use by calling the AutoShare reservation line or using the on-line reservation system. Booking times begin and end on the hour or half-hour. AutoShare's reservation records are considered correct in cases of any dispute.

## 9. Cancellations

If you wish to cancel all or part of your booking, a cancellation fee may apply.

## 10. Charges for Vehicle Use

If you reserve or use a vehicle you will be charged according to the Rate Plans. Changes or corrections to monthly invoices can be done within 60 days of the issuing of the invoice.

## 11. Extension of a Booked Period

If for any reason you cannot keep to the booked return time, you must extend your reserved time before the original reservation period has ended by calling the AutoShare Reservation Line or using the AutoShare Internet Reservation System. If an extension is not possible because of a following reservation, a late charge and other charges could apply as per the Price List.

## 12. Vehicle Safety and Damage Inspection Before Departure

Before using the AutoShare Vehicle, it is the members/drivers responsibility to do a 360 degree walk-around safety check for any visible safety issues (e.g. flat or low tires) and report them to the Reservation Line immediately. Also check for any damage and compare it to the damage diagram located in all vehicles. If the damage is not noted on the damage diagram, make note of it on the Trip Log kept in the vehicle. You must also check to ensure the following are included in the glove box:

- vehicle insurance and registration;
- operators manual;
- collision reporting centre form.

Please inform AutoShare if any of these items are missing. You cannot drive the vehicle if current insurance and registration are missing.

## 13. Valid Driver's License

You must carry a valid driver's license with you during every trip. The rights of Membership are conditional on you having possession of a valid driver's license. If your driver's license is suspended, withdrawn or expires, for whatever reason, your right to drive expires immediately. You are required to inform AutoShare immediately of any suspension, expiration or withdrawal of your license.

## 14. Treatment and Operation of AutoShare Vehicles

You agree to treat AutoShare vehicles carefully. You also agree to leave the vehicle clean inside, and to secure the lock box properly against theft. You must operate AutoShare vehicles according to the Operator's Manual located in the vehicles. You will be liable for any damage to the vehicle that results from disregarding the above. - Smoking is prohibited in all AutoShare Vehicles.
- Pets are allowed in designated vehicles as long as the owner is responsible and insures that the car is protected against pet hair by the use of a blanket, sheet, etc. The owner is responsible for cleaning a car when pet hair has not been captured by such blanket or sheet. Where a vehicle is identified as being pet-free you must not to carry pets in that vehicle. Violations may be result in a suspension of membership privileges and a courtesy fee may apply (as per the price list).

Vehicles may not be:

1. driven in any race or competition,
2. used on roads that are not regularly maintained.

3. used for any illegal purpose, or while the driver is under the influence of any intoxicating substance.

### 15. Gas

It is the responsibility of Members to ensure that the AutoShare Vehicle's gas tank is filled if it drops to "one-half" or less during your trip. After refueling an AutoShare Vehicle, staple the gas receipt to the back of the Trip Log in order to receive a full credit for the gas amount on your next invoice. This receipt is required in order for a gas credit to apply.

### 16. Cleaning

AutoShare will undertake the washing of the cars on a regular basis. You are, however, responsible for cleaning up after your reservation. If you clean an AutoShare Vehicle, please be sure to make environmentally responsible decisions about appropriate locations for the wash, soaps and solvents. If you take it to a car wash (exterior only or full service wash), you will be reimbursed\* for the full cost of the wash (up to \$25) if you attach the receipt to the back of the Trip Log. A car wash credit\* may apply.

\*limit one per member per vehicle per month.

### 17. Maintenance & Emergency Repairs

AutoShare will undertake regular maintenance of AutoShare Vehicles. However, during the booked period, if any fluids (e.g. windshield wiper fluid) or small repair is needed (e.g. windshield wiper blade repair), make sure the receipt is marked with your Membership number and attached to Trip Log. You will be reimbursed in the form of a credit on your invoice for up to a \$25.00 limit or, in the case of repairs, a higher amount can be approved by the AutoShare.

### 18. Return

Return the AutoShare Vehicle promptly by the end of your reservation period. Proper return means:

- (a) the car is returned by the end of the reservation period
- (b) it is **parked** in its official location and all **windows** rolled up and doors **locked**, with all documents (registration, insurance, etc.) intact;
- (c) the interior of the vehicle is **tidy**;
- (d) the **trip log** has been completed and signed and receipts attached;
- (e) the **fuel** tank is more than one-half full; and
- (f) the vehicle's **key** has been safely returned to the lock box.

If the vehicle is not properly returned, charges may apply according to the Price List and the Responsibility and Courtesy Charge list. If you fail to return the vehicle two hours past your booked time without calling to inform AutoShare, your listed phone number will be called. If you cannot be contacted and have not given any indication to AutoShare that you will be driving in an area where there are no telephones, the vehicle will be reported to the police as "missing" and fines may apply.

### 19. Emergency Drivers

Non-Members are *NOT* permitted to drive AutoShare vehicles. In an emergency, *where the life or safety of you or another person is at risk or you cannot drive*, a non-Member may be permitted to drive an AutoShare Vehicle, on the following conditions:

- (a) that you first contact AutoShare on-call staff through the reservation line for authorization for a non-member driver or to determine what other alternate arrangements can be made;
- (b) that you check that she or he has a valid driver's license;
- (c) that you ensure that she or he is capable of driving before the trip, and is not under the influence of any intoxicating substance; and
- (d) that you **only** allow him or her to drive the vehicle under your personal supervision. As a Member, you are liable for any fees, costs or damages arising from authorizing another person's use of the AutoShare Vehicle. Disregarding this rule is grounds for immediate termination of membership and possible forfeiture of your Mobility Membership.

## 20. Payments

As a Member you agree to be bound by the current Rate Plans and Price List and pay for your usage as you are billed. All charges are billed based on a calendar month. An invoice will arrive monthly and must be paid by one of the options listed on the Payments Authorization Form. Any overdue amounts are subject to a late payment charge of 1.25% per month, compounded monthly (15% per annum), and will be charged on the total overdue amount. **AutoShare retains the right to request full or partial payment at anytime.** AutoShare may restrict your right to drive if you default in paying any amount owing or a request for full or partial payment to AutoShare AND/OR if you Balance Owing is over \$50 when your monthly invoice is due. The restriction will remain in effect until such time as you have paid any amounts owing, including any interest accrued and a suitable payment method has been selected.

## 21. Insurance

Notwithstanding the Insurance act of Ontario, you are only insured while driving AutoShare vehicles. AutoShare is responsible for ensuring that all AutoShare Vehicles carry standard insurance coverage which includes All Perils (Collision and Comprehensive), Third Party Liability (\$2,000,000), Accident Benefits, Uninsured Automobile Coverage and Family Protection Endorsement. If you are involved in an accident and a claim is made against you or AutoShare, settlement of that claim will be at the discretion of AutoShare or its insurer. If you are in an at-fault accident, you are liable for the Insurance Deductible (see #23 below).

## 22. Accidents and Damage

Members are responsible for any damage to the car while it is reserved by them. Any accident or damage in connection with the car you are using must be immediately reported to the AutoShare Reservation line or in person, and to the police. You are obliged to secure evidence from any available witnesses. Use the Collision Reporting Centre form (located in the glove box) to record all of the required information and provide AutoShare with a written description of the accident and the damage incurred.

- b) there is any claims made by third parties against AutoShare, you or a driver authorized by you that is not covered by AutoShare's insurance policy and arise in connection with your use of an AutoShare Vehicle.

Your liability will normally include the Insurance Deductible (see #23 below) if you are at-fault. If during the time you have reserved a vehicle, unless you have cancelled the reservation, damage occurs to the reserved vehicle or claims are made against AutoShare or you for damages resulting from use of the vehicle, you will be deemed to be using the vehicle and be responsible for all applicable costs. If a member is found at-fault in an accident and the vehicle is taken out of service for repairs, an out-of-service fee of 80% of the average daily rate may be assessed (to a maximum of \$250).

## 23. Insurance Deductible

- i. The Insurance Deductible, unless otherwise stated or agreed to, is \$500 (Deductible Amount)
- ii. If you are involved in an at-fault accident or are responsible for damage to a vehicle, you are responsible to pay AutoShare the cost up to the Deductible Amount.
- iii. AutoShare may offer to reduce (or increase) this Deductible Amount through a separate agreement.
- iv. Members may reduce their Deductible Amount to \$0 through select eligible VISA or MasterCards with Collision coverage. (some restrictions apply as detailed in the separate waiver agreement).

If the vehicle is towed and impounded for illegal parking during your booked period, you are responsible for recovering the vehicle and agree to pay any costs arising from the vehicle being towed. A fee may be charged by AutoShare (according to the Price List) if Assistance by AutoShare is required to secure the release of the vehicle. If, without the approval of AutoShare, you allow a lien to be placed on an AutoShare Vehicle or allow the vehicle to be impounded (for instance, by failing to pay for repairs which you have authorized) you are responsible for all costs, court and legal fees incurred by AutoShare in pursuing the return of the vehicle.
